Self-declaration and signature

Self-declaration

I acknowledge that UDI will inform the municipality, the Norwegian State Housing Bank and the Norwegian State Educational Loan Fund that I am applying for repatriation support.

I acknowledge that financial support for returning to my home country may only be granted once. I acknowledge that UDI will require repayment of any individual financial support provided, including any support granted for self-organised travel, if I use the support for anything other than returning to my home country.

I acknowledge that if I move back to Norway UDI will require me to pay back all individual support granted. Only individuals fleeing to escape harassment/abuse in their home countries may be exempt from this requirement.

I confirm that the information provided in this form is correct and complete. I have read, and understand its content, and agree to abide by the terms stipulated for assisted repatriation support.
