

Power of Attorney

Use this form if you want another person to follow up on your case on your behalf. The person you grant power of attorney to is called your agent. The agent must be 18 years of age or older.

What does granting power of attorney entail?

You decide which matter(s) your agent is authorised to handle and how long your authorisation will last. Granting an agent power of attorney via this form entails that

- we contact your agent, not you
- your agent has the right to view all your case documents
- we send the decision on your case to your agent, not you
- you may revoke your power-of-attorney authorisation at any time by sending an email to udi@udi.no

Help from a lawyer, a trainee lawyer or legal aid organisations

Do you accept that a lawyer, a trainee lawyer, a legal aid organisation (for example SEIF, JussBuss, JURK, Gatejuristen, Jussformidlingen) can act on your behalf in connection with your case, if your agent would like to ask for legal advice?

This entails that the lawyer, trainee lawyer or legal aid organisation can also access the same documents your agent has access to.
